TO WHOM IT MAY CONCERN

It is with pleasure I provide a testimonial for OMG PROJECTS.

The company was engaged by ALLEN & OVERY to complete a fitout of premises located on the 6th and 7th floors of Goldfields House No. 1 Alfred St. Sydney.

They had demonstrated the degree of reliability and professionalism for me in my capacity as Associate Director Business Services, Asian Region, to appoint them to complete the fitting out of our Perth office.

Joe Nassif the general manager and his team have proven to be dependable and able to execute; building, electrical/data installation with all associated trades incl. design work to a high standard.

OMG is a quality assured co. and their tradespeople carry out their work without fuss and with minimal noise and dust.

We would not hesitate in continuing to use their services and recommend them highly.

Yours faithfully

Theresa Cheung
Associate Director
Business Services, Asian Region
